

Spring Cleaning Checklist

Bathroom

De-clutter

- Throw out any expired medications following local guidelines for disposal
- Throw out expired makeup
- Toss or donate blow dryers, curling irons, or straighteners not being used
- Organize bath and beauty products

Quick tip:

Spray tub, shower, and sink with cleaners. Let cleaners get to work while you throw out expired medications and cosmetics. Finish up by giving the bathroom a good scrub.

Clean

- Toilet
- Sinks
- Cabinets
- Shower (shower curtain can be thrown in the washing machine)

Dust

- Light fixtures
- Hardware (towel racks, toilet paper dispenser, shower curtain rod)
- Shelves
- Medicine cabinet

Update

- Replace worn towels
- Change shower curtain to update décor
- Add pretty baskets for storage
- Restock bath supplies
